Health Resources and Services Administration

Statement of Organization, Functions, and Delegations of Authority

This notice amends Part R of the Statement of Organization, Functions and Delegations of Authority of the Department of Health and Human Services (DHHS), Health Resources and Services Administration (60 FR 56605 as amended November 6, 1995, as last amended at 63 FR 47033, September 3, 1998). This notice reflects the revision of the Division of Facilities and Loans

(RR3), in the Office of Special Programs. Amend the functional statement to read as follows:

Division of Facilities and Loans

The Division plans and directs the development of regulations and program guidelines for administering loan, loan guarantee and interest subsidy programs for health care facilities. Specifically: (1) develops regulations, policy and procedures for administering loan and loan guarantee with interest subsidy programs; (2) administers the DHHS responsibility for facility construction, renovation, and modification as described in interagency memoranda of agreement; (3) provides overall consultation and guidance on factors affecting future national requirements in specific types of facilities utilization; (4) maintains an automated data system for the issuance of periodic and special reports and for the manipulation of institution specific data in performing tests for financial feasibility; (5) assists in the evaluation and analysis of applications for construction under assigned grant programs; (6) reviews and recommends action on: (a) proposals for new health facilities or additions to or modernization of existing facilities under loan programs assigned to the Division, (b) requests for mortgage relief, such as forbearance of principal and/or interest payment, suspension of sinking fund deposits, modifications of loan terms, and (c) requests for recovery and/or waiver of repayment of Federal facilities loan funds; (7) provides advice and guidance to regional staff on statutory and regulatory provisions and policy and procedures for administering programs assigned to the Division; (8) maintains liaison with and coordinates its activities and jointly develops pertinent programmatic materials with other components of the HRSA, DHHS, other concerned Federal agencies, and with

private lending institutions and associations; (9) provides program policy interpretation and technical assistance to other governmental and private organizations and institutions; and (10) administers the HRSA facilities engineering and construction assistance programs.

Delegations of Authority

All delegations and redelegations of authority which were in effect immediately prior to the effective date hereof have been continued in effect in them or their successors pending further redelegation.

This reorganization is effective upon date of signature.

Dated: February 26, 1999.
